DETAILED ACTION

1. In view of Applicant's amendments to the claims, the rejections to the claims have been withdrawn.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: Alder has taught a first exception handler that receives and handles critical excepted instructions and a second exception handler that receives and handles non-critical excepted instructions. However, Alder and the other prior art has not taught, individually or in combination, a first exception handler that receives and handles critical excepted instructions, wherein the first exception handler handles the excepted instructions even if the excepted instructions are still speculative, and a second exception handler that receives and handles non-critical excepted instructions..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
